

HACKNEY ACCOUNTANCY PROJECT

Hackney Co-operative Developments CIC (in partnership with Hackney CVS) are excited to announce the launch of our groundbreaking Women's Accountancy Project aimed at qualified accountants seeking paid work placements.

This project aims to empower women in the accounting profession by providing them with valuable opportunities to gain practical experience and enhance their skills. Additionally, we are reaching out to community organisations with a turnover of less than 50,000 and non-accountants interested in treasury management training for non-executive roles. This brief will outline the key objectives, target audience, and promotional strategies for our project.

STARTING SEPTEMBER 2023

If interested contact Hackney Co-Operative Developments CIC at recruit@hcd.coop

OBJECTIVES

EMPOWER WOMEN IN ACCOUNTING

Empower Women in Accounting: Our primary objective is to create a supportive platform that empowers women in the accounting profession by offering paid work placements, fostering skill development, and promoting career advancement opportunities.

SUPPORT COMMUNITY ORGANISATIONS

We aim to assist community organisations with a turnover of under £50,000 by connecting them with qualified accountants who can effectively provide valuable **FREE** financial expertise and support in managing their financial affairs.

TREASURER TRAINING (TRUSTEES & MANAGEMENT COMMITTEE)

FREE training for anyone willing to act as a treasurer for Charities and Community organisations. A treasurer has an essential role in leading financial matters. The training course is aimed at anyone currently in the role of the treasurer or thinking about putting themselves forward for this position. The skills learnt will help you to develop a deeper understanding of the functions and responsibilities of this role. As with other positions on the Management Committee, the treasurer's delivery of their responsibilities will strongly impact the public's perception, trust, and assurance in the organisation as a whole.
